History of the College

Education for all is the catchword of the day. This slogan presumes the easy accessibility of higher education to all and sundry. With that end in view, and also for the sake of sustaining cultural and economic development of the area, Deshapran Educational Society, comprising of the enlightened and pro- humanitarian people of Durmuth, Block-III, decided in 2010 to establish a college in the area. The name of the proposed college "Deshapran Mahavidyalaya" was chosen by consensus.

Much before "Desbandhu" Chittaranjan Das, "Deshapran" Birendranath Sasmal (1881-1934) born at Chandiveti under Contai Or Kanthi subdivision, was the first to relinquish the roaring practice of a barrister at the High Court of Calcutta in pursuance of the non-co-operation movement, he led the "No. Tax" (Tax Boycott) movement in Midnapore district to an unprecedented success and was recognized as the uncrowned king of Midnapore and earned different honourable titles like "Deshapran" etc. for his noble and undaunted heart and uncompromising struggle for the people of Midnapore district and in a broader spectrum for the freedom of India. He was an ardent votary of true knowledge and as such was the automatic choice to lend one of his titles for christening the college.

It is superfluous to say that many people from different section of the society came forward to give shape to such a noble idea. Some of them are Mr. Chakradhar Maikap, the Ex Hon'ble Minister-in-Charge (Technical Education) Govt. of West Bengal, Mr. Shailaja Kumar Das, Ex-MLA, Dr. Dipak Kumar Tamili, Principal, Egra Sarada Sashibhusan College, Mr .Swapan Kumar Maity, Gram Pradhan of Durmuth Gram Panchayat, Mr. Shymal Das, Upa-Pradhan of the same, Mr. Kalipada Shit, member of Zilla Parishad, Mr. Shyamsundar Panda, Mr. Sitendu Kumar Maity and others.

Among the following enthusiastic persons stated above Mr. Prabhat Kumar Tamili, the (Emeritus) Headmaster of Bathuari Adarsha Vidyapith deserves special mention. He donated Rs. 9 lakhs in cash and without this amount it was not possible for the interested people to fulfill the dream at the initial stage. The financial pre-condition for recognition of the college was mostly favoured by this sizeable donation & donation from several other interested persons. Mr. P. K. Tamili committed to donate further amount for the construction of two college rooms/Hall to perpetuate the memory of his parents. The Ex- Hon'ble Minister, Mr. Chakradhar Maikap, granted Rs. 41 lakhs from his M.L.A. Quota, the Govt. of West Bengal granted Rs. 50 lakhs and Mr. Sitaram Yechuri, MP (Rajya Sabha) responded to our appeal and also sanctioned a grant amounting to Rs. 50 lakhs for the purpose of development of the college.

The college is situated about 2Kms north from the Contai town, near the Durmuth

(Contd..)

Bus stand, on the Contai Mecheda Road and in an ideal and idyllic ambience in a terrain of about six acres of land, apportioned by the Government of West Bengal. The Higher Education Department of the State Government & Vidyasagar University accorded necessary permission to Deshapran Mahavidyalaya on 13th & 21st September, 2010 respectively.

Prof. Sudarshan Roy Chowdhuri, Ex. Hon'ble Minister-in-Charge (Higher Education) laid the foundation stone of the college on 26/01/2011 in the august presence of former Hon'ble Vice Chancellor, Prof. Swapan Pramanik and some Departmental Officers of the Government & of Vidyasagar University.

Initially the college was run and nourished at Durmuth Chandberia Adarsha Vidyapith. Only on 11.11.2011 the college started operating in its newly constructed building. The college authority thankfully remembers the contribution of school committee, the Headmaster & all staff who responded enthusiastically to its appeal and lent unreserved co-operation to the college personnel for its smooth sailing. The kind gestures of the Headmaster, Mr. Mriganka Mouli Maity and Prof. Bishnupada Pradhan, the first Teacher-in-Charge of the college demand special mention.

Although the posts of the whole-time Principal and Professors of different departments have been sanctioned in conformity with the rules, the College Service Commission is yet to recommend names to fill in the vacant posts. However, the college authority in the interest of students, has arranged to cater to their academic needs. The Teacher-in-Charge, Govt. Approved Part-time Teachers & Guest Teachers have been carrying on their sacred mission to their best ability and to the satisfaction of all concerned.

Since the very first year of its inception, a well- furnished Library, which by itself is designated as a University by Carlyle is in operation, and it is going to be enriched further in accordance with the decision already taken up by the authority to this effect.

According to the CBCS System and University Rules, at present internal assessment for General courses & Honours courses are being conducted. In order to boost interest in Higher Education among the poor and meritorious students they are given concession with the rule in existence.

It is a matter of gratification that many educated persons have contributed generously to the College Development Fund and many others have promised to do so in near

(Contd..)

future. The college authority offers thanks to all these personages and their charity will be acknowledged in a booklet to be published shortly. We also appeal to all concerned that any help from any quarter to the cause of the college will be thankfully received.

The Vidyasagar University Authority, as per statutory provision has constituted Ad-hoc Governing Body for Deshapran Mahavidyalaya only on and from 06.09.2012 after dissolution of the Organising Committee working so far.

Be it mentioned further that Mr. Sisir Adhikari, Hon'ble Ex. Minister, Govt. of India and Chairman, Digha Sankarpur Development Authority was kind enough to inaugurate the "Sarada Arun Kashkha", a Hall prepared in memory of deceased parents of Mr. Prabhat Kumar Tamili, out of his finance released at the very inception of the college. Hon'ble Vice-Chancellor of Vidyasagar University Prof. Ranjan Chakrabarty graced the inauguration ceremony as the Guest-in–Chief and members of the previous Organising Committee were also present.

Govt. of W.B. through Contai-III Panchayat Samiti received amount of Rs. 1,83,000.00 /- for construction of toilet. Moreover, Higher Education Dept. Govt. of W.B. initially sanctioned a grant of Rs. 4,44,000.00/- for infrastructure development. Further, a proposal for building construction has also been placed to the Higher Education Dept. Govt. of W.B.

The college authority earnestly seeks financial assistance from local public representatives and also from the Government for all round development of the academic schedules & infrastructure of the institution established after the name of Great patriot personality Dehsapran Birendranath Sasmal.

National Service scheme (NSS)

National Service Scheme has been introduced at Vidyasagar University since 1987 as a part of academic programmes and higher education. The overall objective of the scheme is unconditional service to the community. The scheme is aimed at developing the human soul in such a way as the student is mentally shaped to fit into the society to which he/she also belongs and continues to live in.

We are performing this service under the guidelines of university NSS cell through NSS Unit-I of Deshapran Mahavidyalaya.

Both normal and special camping activities are undertaken regularly as per NSS calendar prepared by University NSS Cell. Generally, we organize various developmental issues and theme-oriented programmes of National importance.

From the beginning of this unit, since 2013-14 Academic Session, we have organized certain camps inside and outside of our campus on the following issues:

i)'Samaj Suraksha' (2013-15)

ii) 'Swasthya Sachetanata O Adarsha Samaj Gathan' (2014-15)

iii)'Mulyabodh Sikha O Sushtha Bharat' (2016-17)

Beside these, Swachh Bharat Abhiyan, Mission Nirmal Bangla, Gardening & Plantation, Blood Donation Camp and other awareness campaigns, workshops & seminars are integral part of our NSS activities.

Central Library

The central library of the college is a well-stocked one, having almost 6500 books and journals. The library has three sections i.e. General, textbook, and reference section. At present the library is subscribing a handsome number of career oriented magazines e.g. Peshaprobesh, Karmakhetra and newspapers in English and Bengali as well. The librarian is encouraging students and teachers alike to subscribe to NDL. The library with its open rack system, reading facility, competent and friendly staff provides an atmosphere conducive to study. Students are encouraged to become regular and responsible readers. It is hoped whole-heartedly, in near future, we could provide separate departmental libraries for our students.

Wall Magazine

"UTSARGA", the wall magazine of Deshapran Mahavidyalaya, has been reflecting the literary taste and creativity of the students and teachers since last few years. It captures every bit of their inner feelings and provides enormous opportunities for expression and enjoyment of leisure hours.

Sports & Cultural Activities

We advertently believe that, education does not only mean book-faced-studies and time- bound class lectures, but should be holistic, covering sports and cultural activities and participation.
To attain the goal stated, we organize every year intra and inter college sports and games in accordance with Department of Physical Education.
Beside these, we observe Deshapran Berendranath Sasmal's Birthday (26th Oct), College Foundation Day (13th sept.) Condolence Meet on Deshapran Birendranath Sasmal's Demise Day (24th Nov), Independence Day, Republic day, Netaji's Birthday et alia at our college premises.

Canteen & Fresh Drinking Water facility

The college has a well- equipped canteen. Tiffin-snacks, tea are always available fresh for our students in affordable prices. Adjacent to the canteen, there is fresh Drinking water facility for all students, staff and visitors.

Cycle Stand

A newly constructed cycle stand has been offered to the students. It has capacity to place more than 150 cycles. A guard is likely to be posted to arrange the cycles and to keep vigilance over there.

Smart Class/Virtual Class Room

A smart classroom, equipped with latest multimedia equipment including LED projector, Giant Screen and Smart Board, has recently been set up in the Sarada-Arun-Kakhsa to achieve organic and multidimensional teaching-learning requirements.

Internet Facility

We are providing Campus Internet facility with free Wi-Fi services and Reliance-Jio is working in full swing in this regard.

Students' Union

On the basis of the Statute of V.U. there is a Students' Union in the college. It functions in terms of the conditions laid down in the union constitution. The Students' Union actively works for the welfare of the students, organizes various events e.g. Nabinbaran, Teachers' Day, Annual Fest, across the year and provides a platform for the students to display and develop leadership qualities. Separate Union room was set up in the main Building of the college. The Statutory Body of the Students' Union uses it as their office and conducts their activities.
